ABSTRACT

This bibliography lists examples of books, dissertations, reports, and articles dealing with the broad field of multicultural education. The bibliography's major focus is on materials in English from recent years, especially materials that deal with educational objectives implicitly related to peace education, such as bias awareness, empathy, and tolerance. In the bibliography titles of documents are given in their original language--if the original language is English, French, or German, no translation is provided; in the case of other original languages, a translation of the title into English is added in square brackets.
